# Welcome

Welcome to Kiel  
Dear Colleagues, dear Friends

On behalf of the ESPD and our national society for Pediatric Dermatology it is a great pleasure for me to welcome you again in Kiel.

Many experts from Europe will update us on the latest diagnostic and therapeutic status of various pediatric dermatological diseases.

You will have the opportunity to interact personally with these experts, other colleagues and friends.

In addition enjoy the “Kiel week”, which begins at the 17 June and ends at the 25 June, 2023.

Enjoy the meeting, the scientific programme and the Kiel city!

I look forward to see you all!

Prof. Dr. med. Regina Fölster-Holst
