

Who will pay my pension some day... ?

Information session about pensions in Europe - An introduction to pension provisions in Europe and in Germany

In this information session about pensions, the international unit at the VBL will introduce you to the topic of pension provisions in Europe and inform about the FindyourPension/ETS portal. After the introduction, you will receive general information on the German statutory pension insurance, the Deutsche Rentenversicherung (DRV), and the occupational pension insurance with the Versorgungsanstalt des Bundes und der Länder (VBL). The latter two presentations will focus on the German pension landscape and look at your rights as a mobile researcher regarding affiliation, pension payment, benefits, and other points of interests. The event will also provide you with an opportunity to ask any questions related to pension provisions.
